Most Respected Sir

The undersigned most respectfully beg to lay my grievances before your honor with the sanguine hope of obtaining due redress at your hands.

My Grandfather kept a Grocery & Liquor Store in the town of [illegible] in the County of [illegible] in the Province of Ulster in Ireland. He was a man of considerable property and was highly respected by all who knew him. He died when I was about 12 years of age leaving my mother a widow with a family of 5 children, 3 boys & 2 girls. My mother carried on the business for some years after my father's death but was unable to do so successfully owing to the want of capital. She was obliged to give up the business & remove to a smaller house in the same town. She then opened a small shop for the sale of groceries & liquors. She was left in very poor circumstances & had a hard struggle to support herself & her children. She was a woman of great energy & perseverance & by her own exertions she managed to keep her family together & to give them a good education. She was a member of the Church of England & was very much respected by all who knew her. She died in the year 1850 at the age of 70 years. She was buried in the churchyard of the parish church of [illegible] where my father was buried. She left a will in which she bequeathed all her property to her children equally. She appointed my brother John executor of her will. He proved the will & took out letters of administration. He then sold the business & property & divided the proceeds among the children. I received my share & came to America in the year 1851. I landed in New York & proceeded to Philadelphia where I remained for some time. I then went to Baltimore where I remained for some time. I then went to Washington where I remained for some time. I then went to Richmond where I remained for some time. I then went to Charleston where I remained for some time. I then went to Savannah where I remained for some time. I then went to Mobile where I remained for some time. I then went to New Orleans where I remained for some time. I then went to Galveston where I remained for some time. I then went to San Antonio where I remained for some time. I then went to El Paso where I remained for some time. I then went to Tucson where I remained for some time. I then went to Los Angeles where I remained for some time. I then went to San Francisco where I remained for some time. I then went to Portland where I remained for some time. I then went to Seattle where I remained for some time. I then went to Victoria where I remained for some time. I then went to Vancouver where I remained for some time. I then went to New Westminster where I remained for some time. I then went to Yale where I remained for some time. I then went to Lytton where I remained for some time. I then went to Ashcroft where I remained for some time. I then went to Clinton where I remained for some time. I then went to Quesnel where I remained for some time. I then went to Barkerville where I remained for some time. I then went to Williams Creek where I remained for some time. I then went to Antler Creek where I remained for some time. I then went to Keithley Creek where I remained for some time. I then went to Cariboo where I remained for some time. I then went to Soda Creek where I remained for some time. I then went to Alexandria where I remained for some time. I then went to Quesnel where I remained for some time. I then went to Barkerville where I remained for some time. I then went to Williams Creek where I remained for some time. I then went to Antler Creek where I remained for some time. I then went to Keithley Creek where I remained for some time. I then went to Cariboo where I remained for some time. I then went to Soda Creek where I remained for some time. Sir

I beg to bring to your notice that for the last twenty years I have held the License of two retail Shops in the Cantonment in my own name and I have had the usual Native vendors duly registered.

II Dr Orr President of the Municipality has now intimated to me that you have ordered him to withdraw my two Licenses from 1st July on the ground that I should hold no Retail licenses. But the two Shops in question have been held by me since previous to the introduction of the Sudder Distillery System, and if my Licenses are taken away now I shall be deprived of the Shops after my present Contract is over and not be able to get them again and this too for no fault on my part.

III Under these Circumstances I entreat you will be pleased to allow me to hold my two licenses as heretofore
